Election Policy

The following section of TLFFRA addresses the election process for boards of trustees:

Section 19. Board of Trustees for Paid or Part-Paid Fire Department. (b), (c), (d).

The following Fire Fighters Pension Commissioner Opinion addresses the question regarding eligibility for election to the Board of Trustees for local boards:

If an active fire fighter sitting on the pension board is terminated by the City, what is the position of the board?

FFPC Opinion 1/15/2002: “If a person is no longer a member of the fire department, then they no longer qualify as a member of the retirement system, thus they can no longer continue on the board.”

Boards of Trustees should establish guidelines, procedures, or resolutions as an action item at a board meeting regarding how local board elections shall be held.
Date: 10/21/2010
