The women then left the store in a black SUV. When the officer stopped the vehicle, Duncan, the driver, seemed panicky and told him that there was a man Smallwood knew asleep in the back and she was scared to death. Duncan initially identified herself as "Brittany Duncan." Both women - Smallwood and "Brittany Duncan" had warrants and were taken into custody. A search of the vehicle uncovered drug pipes, scales, ecstasy, methamphetamine and an ID belonging to a "Danielle Duncan." The officer then realized Duncan had lied about her first name being Brittany. Danielle Duncan also had warrants. The women denied ownership of drug items so they were both charged with possession in addition to their warrants and taken to jail. There was no man in the vehicle.	Arrestee: Gabrielle M.
